La Bottine Souriante is back BIG TIME!! The amazing Benoit Bourque (Matapat, Le Vent du Nord) has taken over from departed member Pierre-Luc Dupuis. David Boulanger (a colossal young fiddler) has taken over from Andre Brunet. The rest of the lineup is about the same (Denis Frechette passed away last year, I think). Sandy Silva is definitely still dancing with them.

Just saw them at Festival du Bois in Vancouver in early March. AMAZING!!!! They did all the old songs (Ziguezou, La Poule a Colin). Benoit says they are working up new material and will be releasing a new CD.

They sounded just incredible when I saw them.
